

## WELCOMING

# NEW BEGINNINGS

Some people are of the belief that there are only six cocktails: the Old Fashioned, the Martini, the Daiquiri, the Sidecar, the Highball and the Flip.

These six cocktails, known as “Cocktail Families”, are the basis for every cocktail. You can take a “Mr. Potato Head” approach to cocktail making, where you replace one component of the formula and replace it with another. Replace Rum from a Daiquiri with Gin (or Vodka) and you have a Gimlet. You can also push the boundaries of what the cocktail is by tweaking the core, the balance or the seasoning. An example of this, would be taking the classic Flip and turning it into a Piña Colada.

2020 has been a trying year for everyone. 2021 is all about A New Beginning. With this theme in mind, the bar team here at Morrissey’s have gone back to basics. Each cocktail is a clear derivation of a cocktail family. We have our ideal version of each family, as well as two original interpretations of said cocktail.

Enjoy your New Beginning.

Cheers,
